

The site plan for Optiven Lake Estate is a comprehensive layout of a residential and recreational development. It features a grid of residential plots, each numbered and color-coded (red, blue, or green) to indicate different categories or phases. The plots are arranged in a structured manner, with some larger plots designated for specific uses like a 'Spiral Viewtower', 'Volleyball Pitch', and 'Kids play area'. The estate is bordered by 'GATE 1' at the top and 'GATE 2' at the bottom. To the right of the residential plots is a large body of water, 'Lake Optiven', which is surrounded by a 'Tree & Flower Nursery', 'Prayer & Meditation Green Park', 'Photo/Picnic Zone', and a 'Forest'. A 'River (Dam outlet)' flows through the estate, and a 'Jogging Track' is located along the lake. The plan also shows various roads, including '3M WIDE ROAD' and '5M WIDE ROAD', and a 'Greentry' area. The overall layout is designed to provide a mix of residential, commercial, and recreational facilities in a well-planned environment.
