

The site plan for the Optiven Getaway development is a detailed layout of a residential and recreational area. It features a grid of residential plots, mostly numbered 1 through 57, with some commercial plots at the top and bottom. Key features include a 'Spiral Viewtower' and 'Volleyball Pitch' in the center, a 'Kids play area' in the lower center, and a large 'Lake Optiven' on the right side. Other areas include 'Jogging Track', 'Prayer & Meditation Green Park', 'Photo/Picnic Zone', 'Tree & Flower Nursery', and a 'River (Dam outlet)'. The plan also shows 'GATE 1' at the top and 'GATE 2' at the bottom. Various roads and tracks are labeled, such as '3M WIDE ROAD' and 'Jogging Track'. The overall layout is a mix of residential, recreational, and commercial spaces.
